Summer vacation is a time to relax, refresh, and enjoy with family and friends. Along with fun and recreation, complete your holiday homework sincerely and neatly. Follow these instructions carefully:

1. Complete all work on time and submit it after the vacation.
2. Maintain neatness and proper presentation in every subject.
3. Use your own handwriting and avoid copying from others.
4. Read all instructions carefully before starting the work.
5. Make your work creative, colourful, and attractive wherever required.
6. Revise the work done in class regularly during the holidays.
7. Spend some time daily in reading books, newspapers, or storybooks.
8. Practice good handwriting and learn new words every day.
9. Parents are requested to guide and encourage students, but the work should be done by the students themselves.
10. Keep all notebooks and holiday homework sheets properly covered and labelled.
11. Maintain discipline and balance studies with play, exercise, and rest.
12. Take care of your health, eat healthy food, and stay hydrated during summer.
